

Would you like an extra room?

Then, the 'all-in-one insulated home office/hobby room' could be the answer.

Designed to discreetly blend into your garden. Installation includes foundations, electrics, heating, full insulation, paint finishing, double glazing, carpets and more. One keen price gives you the 'total solution.'

If you would like to arrange a free no obligation design visit please call me personally on 07920 773198.
