### Southwick's Insulated Garden Rooms

Do you ever wish you had an extra room in your house? You don't need to move home to find the space you need, simply look outside.

Southwicks provide an affordable complete service in designing, creating and constructing the space of your dreams. Each Garden Room is;

- Designed to complement your garden
- Fully insulated and equipped to provide home comforts
- Ready to move into and use on completion
- Comfortable use of your outside space 365 days a year

An outside space designed by Southwicks can have any number of uses including:

- Home office
- Music or art studio
- Teenagers den
- General hobby studio
- Garden retreat

Our buildings as standard will include solid foundations, full electrics, heating, full insulation for all year round use, internal seamless plaster boarding, internal and external cuprinol paint finishing, double glazing, security, flooring and more. Everything is supplied and installed giving you the total solution at one keen price.

Southwicks are proud to be a local business and offer a free no obligation design quote. Unlike an extension or conversion you generally don't need planning permission for a Garden Room, examples of our work can be found at <http://www.southwicks.co.uk>
