

Extra Space is Easy...

The hard part is deciding what to use it for!

Do you ever wish you had an extra room in your house? You don't need to move home to find the space you need, simply look outside.

Southwicks provide an affordable complete service in designing, creating and constructing the space of your dreams. Each Garden Room is;

- Designed to complement your garden
- Fully insulated and equipped to provide home comforts
- Ready to move into and use on completion
- Comfortable use of your outside space 365 days a year

An outside space designed by Southwicks can have any number of uses including:

- Home office
- Music studio
- Teenagers den
- Craft studio

Southwicks are proud to be a local business and offer a free no obligation design quote. Unlike an extension or conversion you don't need planning permission for a Garden Room, examples of our work can be found at www.southwicks.co.uk
